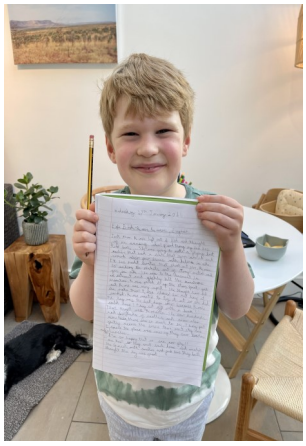
STARS OF THE WEEK

Eli (Y2) has been nominated by his mum for working really hard independently. He has been learning his timetables and is getting really fast with the mental maths tasks. He has also done some great reading. Well done Eli - super work!

Nolan (Rec) & Ethan (Y4) have been nominated by their mum, for showing maturity and patience, with their baby brother who requires constant attention and yet they have been disciplined with their own school work. Ethan has been autonomous and responsible in his home schooling. Nolan has taken good care of his baby brother while simultaneously completing his school work. Well done boys - what fantastic big brothers you are!

This is them taking time out and enjoying the snow.



Edward (3P) has been nominated by his parents. Here he is with his English work this week on which he worked very hard and totally independently. 'We are very proud of him and how hard he is working to overcome his frustrations and big emotions to be able tick off all his work for each day.' Well done Edward - we are very proud of you too!

To nominate your Star of the week or to include a picture in the newsletter, please email the office your pictures, with a short blurb explaining why you are nominating your child and we will do our best to include as many as possible each week. Deadline 12pm Friday.

Weekly Assembly:

Mrs. McNicholas will post her weekly assembly on Google classroom every Friday.

Please try and make time to watch it with your child.
