Friday 1st November

Friends Happy School Bag Collection Day at St. Gildas'

St Peter's & St Gildas' Joint Dates:

Monday 21st October to Friday 25th October - Autumn Half Term

Monday 28th October - Teacher Training Day, both St. Peter's & St. Gildas' schools are closed to pupils.

Tuesday 29th October - Children's first day back of Autumn Term 2

Wednesday 30th October - St. Peter's & St. Gildas' New Parent Tours. The tour will be starting at St. Peter's at 9:15am and continuing onto St. Gildas'.

Monday 11th November - We would like to invite all families to a social gathering on November 11th to meet one another and, in particular, to welcome new parents into our community. There will be an opportunity to meet the new Headteacher, chew the ear of a few of the governors and add your ideas to the plans the Friends of St Peter's and St Gildas' are working on to improve both the profile and the finances of our great schools. The event will start at 6.15 PM at St Peter's and there will be drinks and nibbles for adults and an entertainer for the children. Best of all, its FREE! See you there.

The Governors and Friends of St Peter's & St Gildas'.

Bugs, Berries and Bipedes!

Thursday morning saw Year 4 venture into the Crouch End wilderness, otherwise known as The Parkland Walk. The activity was part of our science topic: Habitats and Life-cycles. It was an amazing autumn morning and a welcome escape from our busy classrooms. Armed with bug-catchers, magnifier pots and butterfly nets we explored this astonishingly diverse habitat in search of flora and fauna. Among the things we found were: worms, beetles, spiders and slugs, as well as an array of nettles, berries and flowers. Back in class we set about exploring how and why they became suited to their environments.

Harvest celebration at St Peters

On Wednesday morning Year 2 children led our Harvest Celebration, they reminded us all that we should be grateful for the wonderful world God has given us. That we should thank all the people who play a part in growing, harvesting and cooking our food. We should try to eat a good variety of foods that come in lots of different natural colours and we should remember all those people all around the world who are not as fortunate as us. We are raising money for Cafod's harvest appeal by dressing up in our brightest clothes and collecting money in each class this Friday.

Miss Robertson
