## Stars of the Week

### Federico - Y2

Federico's mum has nominated him for completing his journal which for him has been a massive accomplishment given that writing is not his preferred activity. Well done Federico!

### Aoife - Y2

Aoife's mum has nominated her for working really hard on her school work and practicing her Irish dancing and drama too. Well done Aoife!

Although we cannot have our weekly assembly we would like to share the stars of the week within the community. Instead of teachers choosing, you as parents can nominate. We are not necessarily just looking for academic achievement but something that reflects resilience, kindness, or creativity in these unusual times. It could be helping around the house, reading with a younger sibling. Maybe they have learnt to ride a bike since we last met or have become a top notch baker. Please nominate your star via the homelearning email addresses ([homelearning@st-peter-in-chains-rc.haringey.sch.uk](mailto:homelearning@st-peter-in-chains-rc.haringey.sch.uk) or [homelearning@st-gildas.haringey.sch.uk](mailto:homelearning@st-gildas.haringey.sch.uk) and we can share a selection of the stars each week .

## Welcome Back Y6

We were delighted to welcome back many of our Year 6 pupils this week. The children quickly settled into the new routines and were delighted to be back at school seeing their friends again. They all had lots to share about their time in lockdown and were keen to get back to some formal learning - we got straight into Maths and English with lots of breaks for outdoor time and hand washing. One of the highlights of our first week back was a pupil sharing that she "hadn't laughed this hard in ten weeks!" We are looking forward to more pupils joining the pods next week.

## STEM News

This week St. Gildas' Google Classrooms have been enjoying some extra science activities in celebration of what would have been our annual STEM Week. Every day science posters, ideas for experiments and super science websites have been shared with the classes and we have received some excellent feedback from our pupils. Thank you to everyone who engaged in extra science this week. The posts will remain on everybody's class stream, so if you didn't manage to catch them, they're there for you, even after STEM week is long gone.

This is Vincenzo from Y5 homemade lava lamp which is made from vegetable oil, water, food colouring and vitamin tablets.

St. Peters' children look out for your extra Science activities coming next week.

Miss Ashworth

Some of the fabulous art work & activities we have received this week:

Pearl - Y3

Pearl's 1st painting using acrylics. Well Done Pearl your painting is beautiful!

Max. C - Y1

Max worked really hard with his younger brother to create this piece of NHS artwork with mosaic tiles. Well Done Max & your brother

Madeleine - Y2

Madeleine has designed her own NHS rainbow t-shirt in support of the NHS. Well done Madeleine

## St. Peter's & St. Gildas' Birthday's

This weeks birthdays are,

Mia Y1

Joseph Y6  
Gabriella Y6  
Jessica Y6

We hope you were able to celebrate and have fun with your families.

## Donations

We would be really grateful for any donations of

- Hand Sanitiser (please ensure it contains a minimum of 70% alcohol please).
- Antibacterial surface wipes or surface spray.
- Antibacterial hand soap.
- Tissues

so we are able to maintain our supply's. Thank you for your continued support. Please leave all donations at the school office entrance and the office team will come and collect them. Unfortunately parents are unable to come onto the school site so we would ask once you have dropped any donations off that you move away from the entrance so the office staff can come and collect them. Thank You!

## Mrs McNicholas' Weekly Assembly

Mrs McNicholas will post her weekly assembly on the school website on Tuesday (next week). Please make sure you have a look for it.

## Congratulations to Father Sean

Yesterday (Thursday 11th June) was the 32nd anniversary of Father Sean's ordination!

We pray: Lord God, give him ever-deeper faith, bright and firm hope, and a burning love which will ever increase in the course of his priestly life as he carries on Your work in a world which needs him so much.
