Stars of the Week

Ali - Y3

Ali Y3 was nominated by his mum for being a lovely big brother and teaching his little sister to ride a scooter. He has also planted sunflowers and tends to them daily! He's also worked really hard and now knows all of his times tables ! Well done Ali!

Year 5

Elodie's mum, Bibi's mum and Lottie's mum nominate all of the year 5 pupils who have taken part in the 3 "fun Friday" zoom sessions which the year 5 parents have run so far. The children have been impeccably behaved, polite and enthusiastic. Well done! Roll on this Friday!

Charlie—Reception

We would like to nominate our new friend, Charlie, who joined our school this week. He is a star for settling into his new class so well. Well done Charlie!

Although we cannot have our weekly assembly we would like to share the stars of the week within the community. Instead of teachers choosing, you as parents can nominate. We are not necessarily just looking for academic achievement but something that reflects resilience, kindness, or creativity in these unusual times. It could be helping around the house, reading with a younger sibling. Maybe they have learnt to ride a bike since we last met or have become a top notch baker. Please nominate your star via the homelearning email addresses (homelearning@st-peter-in-chains-rc.haringey.sch.uk or homelearning@st-gildas.haringey.sch.uk and we can share a selection of the stars each week .

Let's look after our community

We are very excited as next week we are able to welcome children from ALL year groups back for some time at school. It has been wonderful to see many children settling into 'a different' type of school experience so well. The biggest enjoyment is spending time with the friends that they have really missed throughout the last 12 weeks.

All staff at school have worked very hard to make this reopening possible and we are still following strict health and safety guidelines to keep everyone as safe as we can. As lockdown eases and guidelines about what we can do at home are changed we encourage everyone to remember we have a collective responsibility to our whole school community. Decisions you make about what you do at home with friends and family can affect everyone you then come into contact with and at school that can be a lot of people in one week.

Let's enjoy our new 'freedom' whilst still keeping everyone safe.
