Stars of the Week

Madeleine - Y2

Madeleine's mum nominated her for supporting her little brother in writing his numbers 1 - 10 and helping him with recognising the letters in his name, all this while returning to school last week. We are so proud of her. Well done Madeleine!

Ronan -Y4

Ronan was nominated by his parents for his Geography project entitled "Germany—The country, its famous people, its cars & its castles" Well one Ronan!

Skye Y3

Skye has been nominated by her mum. Skye was so excited to hear that she might be able to go back to school, but sadly, because her brother is shielding she hasn't been able to return. It has been very difficult for her, especially seeing how happy her classmates have been in the photos and videos on Google classroom. She has told us it's made her sad, but has not complained and knows she is doing an amazing thing for her brother. We are so very proud of her. She has showed us yet again what a wonderful little girl she is.

St. Peter's & St. Gildas' Birthday's

This weeks birthdays are:

Flora Y2
Aseem Y5

Fantastic poem, imagining life in six months' time, using adverbs of possibility:

Perhaps in 6 months we can go with our friends,
To see movies in cinemas but that depends,
Restaurants will possibly be open by then,
In 6 months maybe we will be able to go to concerts again,
Surely stadiums and arenas will reopen,
And it will be as exciting as an explosion,
We will certainly go back to school,
And swim in the swimming pool,

If you would like to help raise money for the School and have the chance of winning a cash prize please contact the school office for a form.

It has been amazing having children from every year group at school this week. Children and staff have all enjoyed being back together and catching up on everyone's news. The children have been fabulous following one way systems, observing social distancing and lots of hand washing. Our schools have been happy vibrant places once more! Miss Robertson
