

18th December 2020

Teacher Highlights

Reception: We have been busy little elves doing lots of Christmas crafts and activities this week.

Y1: Year 1 loved their Christmas party and eating their delicious snacks!

Y2: A big well done to all Ash class for their fantastic Christmas performance. Make sure you watch it on Google Classroom, as it is a real treat!

3P: 3P have been busy with creating Christmas art work and cards. We used watercolours and watercolour paper, which were kindly donated from the parents, to create our lovely Christmas cards. We used oil pastels and paints to draw our reindeer. We had a great time preparing for Christmas.

3C: really enjoyed making 3D snowmen this week!

18th December 2020

4P: It's the last day of an exhausting term but 4P still managed to squeeze in a practical science lesson. Using Skittles (other fruit flavoured candies are available) and a collection of molecules containing one oxygen and two hydrogen atoms we learnt about water density and stratification, dissolving substances, saturation and developing hypotheses!! The results, I'm sure you'll agree, also made some wondrous art !

4S: We practised hard to make our Christmas celebration for our parents—we recorded a Nativity around the St. Gildas' grounds!

Y5: Year 5 have been drawing and painting the four seasons - using one image to think about how this will change across the year. We want to wish everyone a Merry Christmas and a happy 2021!

6F: We put our new art supplies to good use and created some fantastic Christmas cards. The metallic pens were an instant hit - thanks to the parents for their kind donations.

6W: We have been feeling the festive cheer this week and getting creative using some of the new resources supplied by our very generous families through the Friends'. Christmas card making with metallic pens was a big hit!

IMPORTANT INFORMATION:

Dear Parents/Carers,

As part of the Department of Education guidance for schools in managing the COVID pandemic at the end of term, schools are asked to keep designated members of staff on-call for the first six days after the end of term in order to be able to contact trace should there be any notifications of positive cases once school ends on 18th December.

If your child tests positive for COVID between Friday, 18th December and Thursday, 24th December, please follow these instructions for alerting the school:

Email: admin@st-peter-in-chains-rc.haringey.sch.uk or admin@st-gildas.haringey.sch.uk

State your child's name and when a positive test result was confirmed

Only inform us if a positive case is confirmed for a child attending St. Peter's or St. Gildas'

Note – emails will be checked daily between 9-10am and 5-6pm only and we will only be responding to Covid related queries.

Please DO NOT call the school offices and leave a phone voicemail as the schools will be closed and messages will not be checked until we return on the 4th January 2020.

A member of the Senior Leadership Team will contact you when this message has been received. Please expect a call from a blocked number.

Kind regards

Senior Leadership Team

18th December 2020

Dates for the Diary:

Monday 4th January: Spring term 1 begins.

Friday 15th January: Closing date for applications to Reception and Y3 Transfer to St. Gildas'

Tuesday 19th January: Individual photographs. Whole school

A Christmas message...

Dear Parents and Carers,

Thank you for all your support this term, we knew that school was going to be different but don't think we really could imagine how different.

Your children have been truly amazing, coping with new ways to learn in class, new ways to play in zones, new ways to move around the schools following one way systems, they have taken it all in their stride, enjoyed their work and risen to every challenge.

All the staff would like to wish you a healthy and Happy Christmas and look forward to welcoming you back to school in 2021.

Miss Robertson
