## STARS OF THE WEEK

**Sofia (5F)** has been nominated for star of the week for helping Luca with his school work and art while mum and dad are working. She has also been doing lots of great art herself. Well done Sofia - you are a very talented artist!

**Luca (3C)** has been concentrating so well this week. Well done Luca - great teamwork!

**Rionagh (Chestnut)** has been nominated by her parents. She has been working incredibly hard at her Irish Dancing. She has been practising every day, learning the Reel so that she can compete in a Feis when lockdown ends. Well done Rionagh—can't wait to see you perform!

**Lola (Y4) and Mia (Y2)** have been nominated by their mum, for staying focussed on their school work, despite having to isolate last week. 'They stayed on great form, never complained and made sure they did all their school work. Their Dad and I are very proud of them. Well done girls!' Yes, well done girls—you are superstars!

To nominate your Star of the week or to include a picture in the newsletter, please email the office your pictures, with a short blurb explaining why you are nominating your child and we will do our best to include as many as possible each week. Deadline 12pm Friday.
