STARS OF THE WEEK

Alex (Y1) has been trying extra hard this week to submit her classwork on a daily basis with almost no help from busy mum and dad. She can even take pictures and submit on her own! She has also been a superstar in her Italian lesson with nonna and her cousin on zoom! We are all so proud of her.

Elliott (3C) has been nominated by his dad for learning big number divisions and being very creative with the snow building Igloo village. Well done Elliott!

Robert (4P) has been nominated by his mum. He's worked really hard on his fraction work for the past few weeks and finally gets it! Well done Robert!

Charlie (Y1) Has been nominated by his mum. As an only child, he has found it hard not seeing his friends and feeling a little lonely but he has still managed to do all his work and loves seeing his classmates on google meets. I am very proud of him! Well done Charlie—we are super proud of you too!

Dolly-Rose (Y1) has been nominated by her mum. She gets up every day with a smile and is enthusiastic about her work. Her mum says 'I could not be prouder of her positive approach to home learning and the progress she is making whilst at home!' Well done Dolly-Rose—we are super proud of you too!

Be Internet Legends

Children at St. Peter's and St. Gildas' enjoyed celebrating Safer Internet Day on Tuesday. If you would like to support your child with learning about how to keep safe online, you could have a go at this online activity during the half term holidays. Children can become Internet Legends with 'Interland', an online adventure that teaches the key lessons of internet safety through four fun, challenging games. Interland is an adventure-packed online game that makes learning about internet safety interactive and fun – just like the internet itself. Children will help the Internauts combat badly-behaved hackers, phishers, over-sharers and bullies by practising the skills that they need to be confident online explorers.

Just click on the link below to start your online adventure!

Young Artists' Summer Show

Now in its third year, the Young Artists' Summer Show is a free, open submission exhibition for students aged 5 - 19 studying in the UK and British schools overseas. Artworks are judged by artists and arts professionals with selected artworks displayed online and on-site at the Royal Academy of Arts.

Both schools have registered and submissions are now open, so check out the website for further information on how to submit your child's work.
