# WELCOME BACK TO SCHOOL!

It was fantastic to open the school to all children on Monday morning, the classrooms were full of noise and excitement as the children met up with staff and friends they had not seen for 10 weeks. They have been amazing following one way systems, handwashing, staying in designated zones at playtimes AND getting back down to learning in the school environment. A few worries and apprehensions from early in the week seem to have mostly disappeared. We need to work together to re-establish routines, sleep patterns, social skills and learning behaviours. Please remember to keep your social distance from other Parents as you drop off/pick up your children from school, and move away from the gates as soon as you can to keep clear access for everyone.

Thank you for helping us support your children on their return to school.

Have a lovely weekend!

Miss Robertson

## Chromebooks:

Our children have really enjoyed making full use of the new Chromebooks. **Thank you** to the Friends' for organising this super fundraiser and to all our families for your incredible generosity! 5A have started building their dream house, using vector drawings. ### Teacher Highlights

- Reception:** Chestnut class are so happy to be back at school and welcome our two new children Santiago and Theo.
- Y1:** Beech class have been busy writing their Lent promises. They all hope to keep their promises and are doing very well so far!
- Y2:** Have been busy making something very special. Please check your child's bookbag on Sunday morning if you haven't received anything!!
- 3P:** We welcomed two new friends into our class this week. Ryan and Rhys have settled in beautifully and have worked so hard. Well done 3P for being good friends and helping them settle in so well.
- 3C:** We have been learning the importance of facts when reporting the news. We have learnt how to differentiate between facts and opinions. The children really enjoyed role playing as reporters.
- 4P:** We had an action packed week learning all the subjects! In history we were learning how the Romans were able to protect such a vast empire. We loved the "marching" drama and using our drawing skills to embed key vocabulary.
- 4S:** In 4S we discussed all the information we know about Lent and created fact files.
- 5A:** Have had a brilliant week and haven been working very hard. They are now experts with fractions!! We are very proud of them!
- 5F:** This week we have started our brand new topic in PE - 'Dance by chance'. We were inspired by the talented Merce Cunningham to create a dance in pairs using the school phone number.
- Y6:** We started a new text this week. We explored definitions and language and used watercolours to create our interpretations of character before exposing the title and images from the book.

# 12th March 2021

## Comic Relief Day March

As you may know next Friday (19th March) is Comic Relief Day, we want to acknowledge the day and have some fun, however due to ongoing Covid-19 restrictions we will not be able to celebrate as usual. The children are invited to wear red or comic relief t-shirts etc. **BUT** unfortunately for very obvious reasons they must **NOT** bring red noses into school.

We will not be collecting any monies at school but encourage you to donate directly to the Comic relief charity OR you can donate through Parent Pay( St.Gildas' parents only)

The teachers have planned some fun activities to mark the day. Thank you once again for your co-operation.
