Chestnut: As we officially welcomed Springtime on Saturday, we have been learning about the signs of Spring and have been looking at spring plants and flowers. One of the most beautiful signs of this season is blossom trees, so we used oil pastels and pearlescent paint to create artwork of this spectacular tree.

In **Beech Class** we enjoyed discussing what love means to us and we created art work explaining why we love our families so much.

Ash class: made some lovely art work to celebrate the Way of the Cross showing Simon of Cyrene helping Jesus carrying his cross.

3P have created some beautiful art work to represent the 7th station of the cross. They have been very prayerful and reflective. The children have also shown fantastic knowledge in history and enjoyed a lesson on the Indus Valley civilisation delivered by a historian and writer of the curriculum the children are using. They listened to stories and looked in detail at maps. They answered questions and had great fun learning lots of new words.

3C worked hard preparing for our Way of the Cross celebration next week.

4P in RE this week we used art appreciation to consider the deeper mysteries surrounding the “empty tomb” and the experience of Lent and Easter for believers.

5A wrote play scripts and acted out an emotional scene from our class novel, ‘There’s a boy in the girls’ bathroom’. The acting was amazing and we look forward to seeing some of our class on the big screen in the future!

6F worked collaboratively to create a collage to commemorate The Way of the Cross.

5F have been working incredibly hard this week with their assessments. We have also developed our descriptive vocabulary through acting out a scene from ‘There’s a boy in the girls bathroom.’

6W produced some beautiful Art in preparation for our commemoration of the Way of the Cross next week.
