Teacher Highlights

Chestnut Class have enjoyed learning about money and how to count coins.

Beach class enjoyed Sports Day. We have some true athletes in the making!

This week 3P have been learning about the artist Georgia O' Keeffe who was known for her paintings of enlarged flowers. We used oil pastels and water colours to create our own.

Y2 had a fantastic Sports Day— highly competitive but also very supportive to each other. They have also been practising their joined up handwriting.

An action shot from 3C on Sports Day!

Teacher Highlights

In RE 4P have been learning that in order to build bridges with God, we need to build bridges with each other first.

4S have been brushing up on their computing skills using Spelling Shed and the timetables website.

5F have been truly amazing this week, especially at sport day acting as role models for the entire school! You are all so amazing!

Impressive acting skills were displayed in 5A as we enacted a press conference for Ernest Shackleton and two of his crew on his rescue from the Antarctic after 17 months of being stranded there! This was all in preparation for our newspaper reports based on Shackleton's amazing true story of his failed attempt to cross Antarctica in 1914.

Y6 had a blast on Wednesday! Lots of fun in the sun and great sportsmanship as they competed and celebrated one another's successes.

Wow! What an amazing sports day! It was a fantastic event and wonderful to see the two schools cheering and supporting each other! Each and every one of you made your teams proud and showed great sportspersonship.

I also want to say a huge thank you to all the adults at the event who quite literally made the day possible. Well done to all of you! Mr Fedele
