Headteacher's Message

Dear Parents & Carers,

We have had another busy week at school, starting with our Odd Socks Day to raise awareness for Anti-Bullying week. Miss White at St Peter's and 4C at St Gildas' led assemblies on the Antibullying theme and the Ambassadors for each class were presented with their badges, hats or ties. The Kitchen staff did us proud with Odd Socks Day cake, sock bunting and even sock shaped vegetables!! Today (Friday) we have been treated to Pudsey cake. The children looked fantastic in their Pudsey / Spotty themed clothes and lots of children enjoyed producing their own spotty clothes and face painting. Thank you for all your contributions to this worthy cause, we will let you know how much money we collected and will get it to Children In Need as soon as possible.

Years 4,5 & 6 enjoyed their trip to the cinema on Thursday, the children were so well behaved and it was great to enjoy an experience like that together. Miss Scott held the first Student Council meeting today and we look forward to hearing their plans for this school year.

Have a lovely weekend,

Into Films Schools Festival

On Thursday, Years 4, 5 and 6 were lucky enough to attend a *National Into Film Schools Festival* film event. We walked to The Picturehouse and were all enchanted by the fantastic animations. For many of us, it is early experiences watching films on the big screen that form the basis of a lifelong love of cinema. Swashbuckling heroes, magical secrets, ghostly creatures, and a healthy sprinkling of talking animals all featured in celebrating the wondrous and dazzling us with their spectacle, alongside a gentler, more human takes on the spirit of adventure.

It was an absolute joy to feel part of the community escorting the children through Crouch End; they received compliments and smiles from passers-by. The children were a credit to the school and their cheers and applause delighted their teachers and the Picturehouse staff.

A fantastic morning of enrichment was had by all. Ms Fulton

A BIG thank you to you all!!

We have had so much fun today whilst raising money for Children in Need. There were spots and Pusey Bears everywhere. Pudsey even made an appearance at lunchtime!

We have raised over £350 in cash donations alone. We will let you know our total amount raised next week.

There is still time to donate, either through the office or via ParentPay.

Anti-Bullying Week

This week myself and Miss Robertson were very excited to announce the inaugural group of Anti-Bullying Ambassadors and present them with their sparkly badges or red ties. This is a new initiative for our schools and we are really pleased that the children were so enthusiastic about starting it. We are hoping to access some specific training from The Diana Award and in the

meantime will be working with the children on how they can support their peers in the playground. Many congratulations to the following children. Mrs O'Brien

Year 1 - Jasmine and Oscar

4P - Elliott and Kayla G

5S - Merhawit and Edward

Year 2- Lili and Tomas

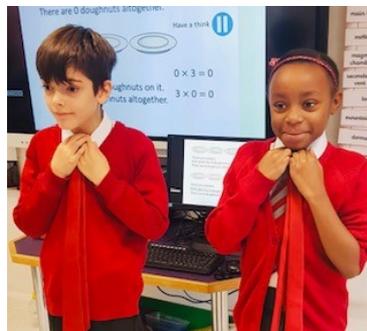

4C - Aoife and Edward

6F - Maya and Kasper

3P - Olivia and Cillian

5A - Maria and Aiden Y

6W -Ryan and Sofia N

This Week's Highlights

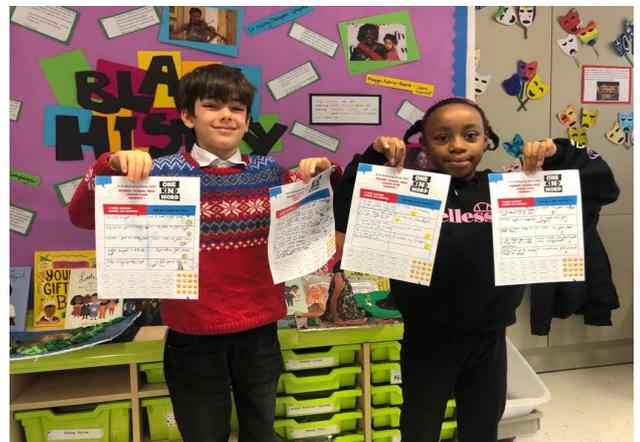

In Beech Class we've been writing poems about the sun and moon!

4C worked hard this week creating a whole class story board of our novel *Varjak Paw*. Each child summarised one chapter and the chapters were put together to create this collaborative display.

Year 3 have been inspired by the artist Georgia O'Keefe. We have been observing the different parts of a flower and have painted these beautiful poppies.

During anti-bullying week 4P had lots of discussions and activities based on the theme of how kindness can be an empowering and joyful thing. Here our newly appointed anti-bullying ambassadors are showing off some of the work.

This Week's Highlights

Year 5 have been investigating thermal insulation in Science. We tried to find out if cotton wool, tissue or polystyrene kept the ice the coldest for the longest.

Scientists at work in Year 6! We were investigating circuits powered by different voltage cells and batteries.

In RE, 6W held a silent debate to begin our new topic. We contemplated and responded to some statements about expectations.

19th November 2021

Dates for the Diary:

Mon 22nd Nov: Final date to complete online enrolment for First Holy Communion 2021-22.
