Headteacher's Message

Dear Parents & Carers,

Another week has flown by, and we are all very excited that this Sunday marks the beginning of Advent and we can all start to prepare to remember Jesus' coming on Christmas day and all the associated festivities and celebrations. The children cannot begin opening their Advent calendars until Wednesday 1st but they are getting ready!

Unfortunately we have had a busy week, especially at St Peter's, changing a few of the ways we work due to several Covid cases. Mr Sewell has been teaching remotely, Year 2 have all been amazing especially those who have been learning at home. At St Peter's the classes are not mixing inside and we are trying to reduce the amount that all adults move around both schools. At the moment there are only a few cases at the St Gildas' site so we have not introduced any restrictions there but we will keep you informed. We are sad that we had to cancel the planned 'Friends' Coffee Morning' for next week, however you can support 'The Friends' fantastic fund raising by getting involved with the 'Name the Elf' activity they are launching today.

Have a lovely weekend, wrap up warm...it's going to be a cold one!

Miss Robertson

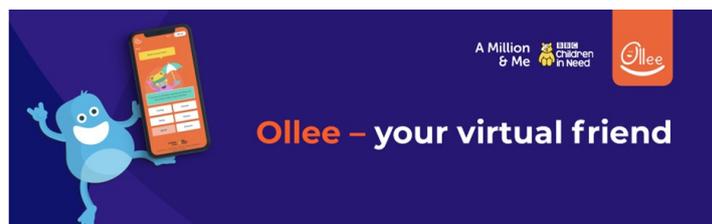

A BIG thank you to you all!!

We raised an amazing **£560.53** for Children in Need.
Thank you all so much!

School Photographs

The final date for orders to be placed for free postage back to the school is **30th November 2021**.

Ollee is a digital friend for children aged 8-11, created by Parent Zone and funded by BBC Children in Need's A Million & Me initiative. It helps children explore feelings around school, family, friends and the world, and share advice with a parent or trusted adult.

Children can tell Ollee how they're feeling and it will give them ideas about what to do. If they're not sure, Ollee will help them figure it out. Together, parents and children can share Ollee's advice and talk about feelings together through connected accounts. Click on the link to try it out now in a web browser or download the app to your device! <https://parentzone.org.uk/ollee>

This Week's Highlights

Chestnut Class have enjoyed drawing Jigarees with oil pastels.

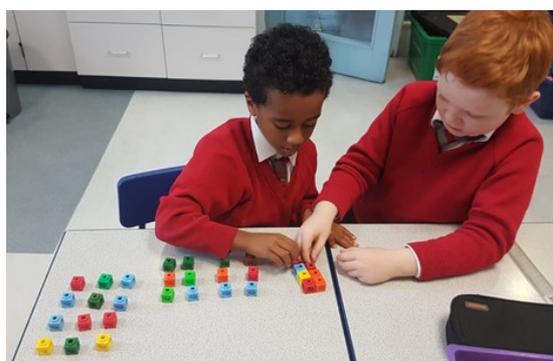

In Beech Class we have been adding and taking away using our own jottings!

Ash Class have really embraced virtual learning this week!

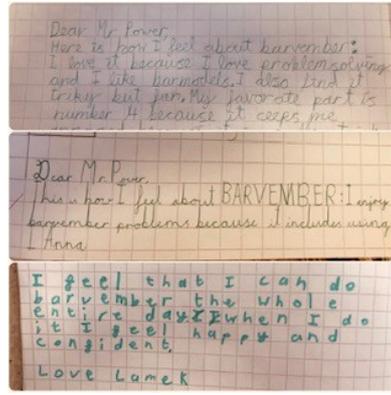

3P have enjoyed working out multiplication problems using arrays.

This Week's Highlights

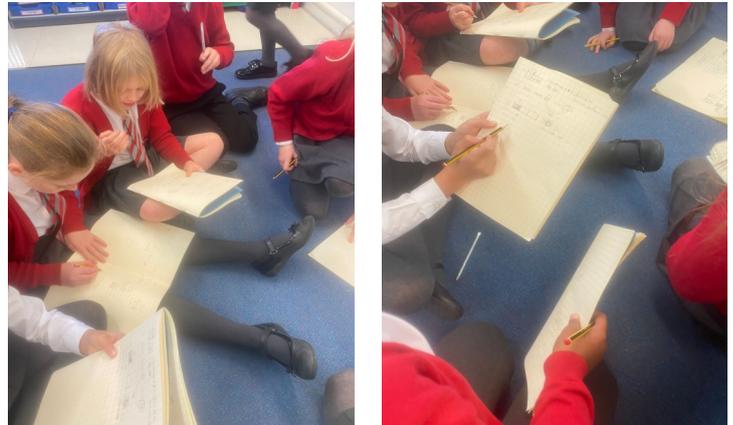

As we near the end of Barvember, 4P were asked to write a short note to their teacher saying how they felt about bar-modelling in maths. Most children enjoyed the challenge and commented how it has improved their reasoning and problem solving skills.

4C have been busy connecting our RE topic on Advent with art. We worked hard using oil pastels.

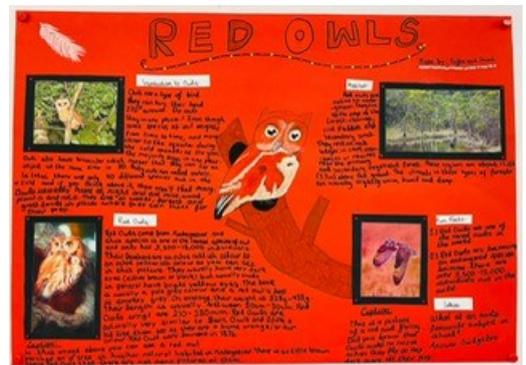

This week 5A were using cubes to represent cubed numbers.

5S have really enjoyed completing Barvember challenges this month - although frustrating at times, they have led to some great mathematical breakthroughs!

It's been all about owls this week in Year 6. We created information posters in English and dissected owl pellets in Science.

26th November 2021
