## Headteacher's Message

Dear Parents & Carers,

Hope you have had a good week, we have had a challenging week as unfortunately Covid-19 has hit our community again amongst both children and staff. As you know restrictions and the need to test have all been withdrawn but please can I encourage you to watch for symptoms among all family members and if any one is displaying anything that could be Covid related please do a Lateral Flow Test, these are still available by post or through your local pharmacy or GP surgery, free of charge until the end of the month.

Thank you to The Friends' who have held two coffee mornings over the last two weeks, small groups gathered on both occasions, and enjoyed a good coffee, some conversation and raised some money for our schools. Please look out for the reminder of the next one and come along if you can.

Thank you for supporting our Lenten fundraising today, your children have been amazing, enthusiastically joining the **CAFOD- Walk Against Hunger**, doing at least a mile each today. We have to add up our total miles/km and add them to the CAFOD total on their website where the aim is to walk 40,000km around the world trying to alleviate hunger and malnutrition in the many countries where they support projects. During the current terrible situation in Ukraine CAFOD are supporting their sister charity Caritas in Ukraine and in the countries on it's borders providing food and shelter to families fleeing the conflict. **So far we have raised over £500!** We will update you with the final total next week.

Next Friday 18th March is **Red Nose Day**, your children are invited to wear their own clothes, with a red theme if possible or Red nose merchandise (please remind them no sharing noses!!!)

We will collect any donations for Comic Relief or you can donate directly to the charity.

Have a lovely weekend.  
Miss Robertson

## This week's highlights

Year 1 have enjoyed planting their own broad beans this week as part of their Science topic "The Potting Shed." We can't wait to see them grow!

Chestnut class were very excited to receive a letter from Farmer Ted, asking them to help him look after some duck eggs. They wrote back to him with all their questions.

Ash Class have written and posted their letters to the children on the Isle of Barra.

In PE this week 4P learnt how to set up all the apparatus correctly and safely. The gymnastics involved a series of challenges including three-point balances, pointing sequences and entry and exit transitions.

5S celebrated International Women's Day by exploring the illustrations in Vashti Harrison's "Bold Women in Black History".

3P have been enjoying their new class book Ottoline and the Yellow Cat. We have made predictions and have written our own version of the story.

6W joined in CAFOD's National Assembly today to learn about why we are taking part in the Walk Against Hunger. We've donned comfy shoes for our walk and are ready to do our bit.

4C really enjoyed our trip to the library where we got to watch some of the first films ever made! We learned that Robert Paul created the world's first cinema in Muswell Hill in 1898 and even got our own comic to take home!
