Headteacher's Message

Dear Parents & Carers,

We have had a fabulous week at school celebrating the feast of the Ascension and our Platinum Jubilee day today. 6W prepared and led assembly on Wednesday and children in all classes reflected on Jesus' return to his Father in heaven and our mission to continue his work on earth.

Years 5 & 6 had a great time at their disco on Friday, thank you to all those Parents who helped prepare, run and clear up after the event. We would also like to thank the Parents who were able to attend the Coffee morning on Tuesday.

The children as always look amazing today and I have spotted several crowns/tiaras as well as a lot of red, white and blue. The staff have planned a fun filled day, please look on Twitter/Instagram/Google classroom... to see photos from our celebrations. I would like to acknowledge the support from two of our local supermarkets: Waitrose & Tesco in Crouch End who have kindly donated a large amount of summer fruits so your children can have a lovely fruit treat today.

This half term has gone by so quickly, I cannot believe that we are entering the last part of our school year. Have a lovely half term break next week however you and your family are spending it and we will welcome the children back on Monday 6th June.

Miss Robertson

A BIG thank to Tesco and Waitrose for their very kind donation of delicious summer berries.

Three of our Y6 pupils took part in the Race for Life Muddy run last weekend. Well done - we are so proud of you!

A big thank you to our chef Aga and her team for the tasty cake and fruit platters. Such a lovely surprise. We thoroughly enjoyed them!

This week's highlights

Chestnut Class have been learning all about the Queen this week as we celebrate Her Majesty's Platinum Jubilee. We decided to mark the occasion with a royal afternoon tea party and were very busy making all the decorations and food for it. We wrote party lists and invitations, made bunting, paper chains, flags and crowns, and made jam sandwiches and cupcakes too!

In Geography Beech Class have been learning all about Crouch End and have learnt their home addresses. They wrote letters about the things they've learnt about our school's local area and had fun posting them in

Ash Class learned about weighing and measuring by making delicious Jubilee themed cupcakes. We also used our artistic skills to decorate them!

3P have been busy researching crocodiles as part of our book KrindleKrax.

This week's highlights

This week, 5S had to say goodbye to the class tadpoles as they needed to return back to their pond and extended family. We loved watching them grow into froglets and here's little froglet Folami who was fortunately spotted trying to make a leap for freedom! Also, a special thanks to Miss McColl for loaning us her lovely tadpoles.

4P used a foil printing technique to make funky stamps of the Queen.

5S enjoyed creating some Jubilee themed art this morning.

We welcomed back some past pupils this week who have completed their week of work experience with us. They have really got stuck in and the children have loved having them around!

6W planned and led the school in an Act of Worship on Wednesday reflecting on the Feast of the Ascension

4C have really enjoyed our jubilee celebrations and have ended the week with some printing and colouring pencil rubbings.
