## Headteacher's Message

Dear Parents & Carers,

Hope you all had a lovely Bank Holiday weekend, we have had a busy 4 day week. All the children are working hard but especially Year 2 and Year 6 children who are preparing for their SATs assessments. They have been assessed in similar ways, using practice questions and papers throughout the whole year so are used to the format of the questions and the papers generally. We try to keep the atmosphere during these assessments as relaxed as possible so that they can show their true abilities and not be anxious. Please try to do the same at home, keep routines the same, ensure that the children sleep well, have a good breakfast and get to school on time to ensure they start their day well (this is good advice for all year groups!).

Many classes have been focusing their class worship on Mary during this month of May. 4P led assembly for St. Gildas' classes during the week and reminded us of some of the prayers devoted to Mary, you may like to use some of these with your children at home, please search for 'Catholic kids media' on you tube where you will find prayers and bible stories presented in short animations. There are also prayer cards you may like to print.

Please remember to look at Twitter/Google classroom and the website for class highlights and photos.

Have a lovely weekend  
Miss Robertson

## Our Schools on Social Media

Please follow us, like and share our posts.

# 6th May 2022

## This week's highlights

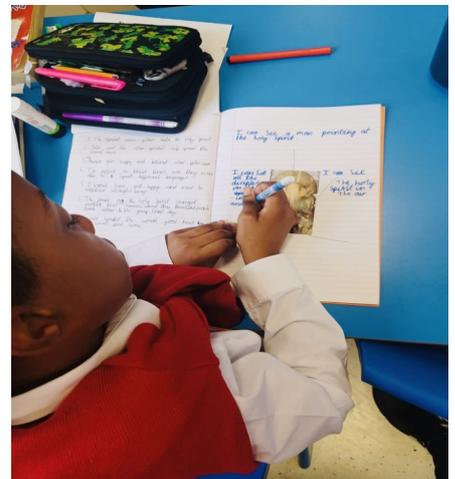

Chestnut class have been learning about symmetry in Maths and have painted some beautiful symmetrical butterflies.

Ash Class are really enjoying learning about the Stone Age.

We really enjoy spelling in Beech class!

4C have been deepening our understanding in RE. This week we learned about the time the Holy Spirit gave courage to Peter and John.

In Biology 3P were researching the names of the bones in the human body. We didn't know we had so many!

# 6th May 2022

## This week's highlights

**Year 5 researched the country of Lebanon and produced beautiful double page spread reports. This helped to understand the context of our novel "Oranges in No Man's Land" by Elizabeth Laird.**

**4P have been mastering telling the time on an analogue clock. Some of the children took turns to be the teacher, with outstanding results.**

**6F have worked extremely hard this week revising in preparation for next weeks SATs assessments. To balance out the workload, we have used meditation, creativity and game-play to relax whilst enhancing our logical thinking and problem solving skills.**

**6W have been working so hard on assessment preparation with a focus on remaining relaxed and having fun whilst learning.**

# 6th May 2022
