Head Teacher's Message

Dear Parents & Carers,

It already seems a long time since half term! I hope that you had a lovely break and maybe indulged in some Jubilee celebrations. I know that for many families it was the first opportunity in quite a while to actually go away either in the UK or abroad, the children came back with lots of news from their break.

We have had another busy week, the whole school attended Pentecost Mass at St Peter's church on Wednesday, it was a lovely celebration with fantastic singing, readers, servers and musicians. We were lucky that some Parents and Governors could also join us. Fr Sean set the children a challenge during Mass to remember three words linked to the Holy Spirit and how we can all feel empowered as friends of Jesus, see if they can remember them.

(Reminder/answers in next week's newsletter!)

Thank you to 'The Friends' for hosting another coffee morning on Tuesday, this was quite well attended and there is another one next week, all parents are welcome.

The Diocesan RE Inspections of both schools took place on Thursday, the Inspection team were very impressed with your children. They enjoyed a very warm welcome and were shown lessons, class worship, assemblies, RE books and much, much more! The team held incidental chats with Parents at the gates, children around the school and they talked to a selection of children from each class to understand the pupil voice in our schools. Thank you to those who took the time to respond to the Parent survey, the inspectors were very thankful to have so many responses gathering the views of Parents. Their reports should be available in about two weeks and we will send them to you.

Year 6 are enjoying their Sports activity day today at Alexandra Palace, another thanks you must go to 'The Friends' for funding these days for Year 2 to Year 6.

Have a lovely weekend
Miss Robertson

10th June 2022

This week's highlights

After much patience, nurturing and care, our radishes have grown brilliantly. This morning we harvested them and we can't wait to taste them this afternoon.

Year 1 have been learning about the UK and have located the 4 countries and their capital cities on a map.

Ash Class had a wonderful time learning about mini beasts and habitats at Railway Fields nature reserve.

3P played their instruments beautifully for our whole school mass this week. The children read clearly and prayerfully. We are very proud of you all.

Way too much fun in 4P as the children get down to the "Big Maths Challenge" song. A great way to consolidate times-table knowledge ahead of the statutory test later this month.

10th June 2022

This week's highlights

4C have loved creating optical illusions and exploring depth as well as shape and

5S created a guide for living as one of God's children as part of our RE topic "Freedom and Responsibility"

6W attended Mass this week with the rest of the school to celebrate Pentecost. They were beautifully reverent.

During Thursday's pupil led act of worship, 5A planted their God given 'gifts' in the hope that they will grow strong. Miss Ashworth was very impressed with all of 5A's hard work, respect and reverence on our RE inspection day.

This week, 6F have investigated Fibonacci's Sequence and had a go at drawing the Golden Spiral. We have also enjoyed Pentecostal Artwork invoking the Holy Spirit.

A big thank you to LFA and The Friends'. Year 6 have had a fabulous time at their Activity Day at Ally Pally.
