Head Teacher's Message

Dear Parents & Carers,

We have had a quiet, calm week at school even though the temperatures soared, your children managed to stay engaged and focused! Thank you to those who remembered to send in sun hats and apply lashings of long lasting sun screen.

Year 5 are in the process of enjoying their LFA Activity day as I write this...we were concerned about the temperatures, but with extra gazebos, the club house, lots of water breaks and slightly shorter activity sessions, we were able to go ahead. Once again many thanks to 'The Friends' for funding these fantastic opportunities for your children. The coffee morning this week was quite well attended, and ALL the monies raised by 'The Friends' will come back to your children for enrichment in some way. I know that the committee are working very hard preparing for the summer fair.. please do not forget to talk to them or your class reps' to let them know how you are able to help. They need a lots of volunteers to ensure that the fair will be not only a great community event but also a major fund raising opportunity.

This Sunday we will hear from Luke's Gospel how Jesus performed another miracle with bread, managing to feed 5000 people with very little. He showed love and care for everyone, no matter what they had. Let's try to remember those in our communities who struggle to provide enough food for their families. Those we can help through our local food banks or the Parish Soup Run.

Next week we are holding our first meeting for the new Reception class parents, we are running transition sessions as we did pre-pandemic so hope to welcome all the new children into school for an afternoon visit soon. In another step towards systems we had in pre-pandemic times, many St. Gildas' Parents have been longing to return to the upper playground at the end of the day. This is a chance to chat with other Parents from not only your child's class but other classes too. Please remember that it is the Staff's job to dismiss all children safely, to observe who picks them up or see them off the school premises to walk home, so please do not engage them in long conversations that may distract them from their work. You can of course have a quick word or make an appointment through the office if you need a longer chat. From next Tuesday at the end of the day the gate will be opened at St. Gildas' and you can come into the upper playground area and wait for the classes to assemble. Each class will have a designated area, those children walking home independently will leave first, Staff will then dismiss the children into your care. Parents will now have to enter the upper playground to collect their children. Obviously we will assess how this system is working over the next few weeks.

Please look out for information coming to you directly about our Sports day on Tuesday 28th June, you are very welcome to join us for all or part of the day at St Aloysius Playing Fields, Hurst Avenue, N6 5TX from 10am-2pm.

Have a lovely weekend
Miss Robertson

17th June 2022

This week's high-

Reception have been learning about how we must love and care for one another, as Jesus taught us. We made paper dolls and friendship bracelets for our friends, as we thought about how we can we love each other, as Jesus loves us.

Even though the temperature is rising Beech Class did so well in their spelling test!

Year 3 have enjoyed the start of their new science project on bees. This week we have found out some amazing facts and drew some detailed bee pictures.

Ash Class have been really enjoying using clocks when learning to tell the time this week - o'clock, half past, quarter past and quarter to. We will be working on 5 minute intervals next week.

Thank you to Toby, Leo & Elijah for planning and holding game sessions at lunchtime for the children yesterday. They had ping-pong and a cricket coaching session which the children loved. The boys were fantastic and the children really enjoyed themselves.

This week's highlights

In 4P we have been finding creative ways to remember the properties of quadrilaterals. We are learning that it's hip to be square - and all the other 4-sided polygons!

This week 6W have been linking Art and Geography and have begun to plan pieces in the style of the indigenous Australian people.

Pupil R Teacher: 6F were treated to 2 guest teachers this week. We explored Palaeontology and the art of sketching eyes.
