Head Teacher's Message

Dear Parents & Carers,

Another busy week in school! Year 4 completed their multiplication tests online, they all took it in their stride and were very familiar with the digital format as they have done lots of practice. 5S led us in Assembly on Wednesday marking Windrush Day and reminded us of the history and evolution of this day. They also passed on the important message echoed in the Gospel reading this weekend, that it is not always easy to follow Jesus and make good choices. We should stand up for what is right and help people if we see them being treated unfairly.

We are all looking forward to the Summer Fair this Sunday, please make sure you have offered help if you can and encourage your friends and family to come along and support this event. The Fair is always a great community occasion enjoyed by the children and raises a considerable amount of money which benefits all the children in our school. Please note that there is a Summer social event for residents in Dickenson Road running at the same time, we have assured the residents that NO-ONE from our schools will park in the street and cause them any obstruction. As always please be mindful of all our neighbours on Sunday.

Sports Day will take place on Tuesday at St Aloysius Field Hurst Ave N6 5TX, all Parents are welcome! As you will have seen from our messages we need some volunteers to walk to and from the field with classes, please let us know via the offices if you are able to help. Parents of Chestnut class children, we would like as many people as possible to walk with us ...so if you are coming to the day let us know. We may also need some help on the day re-setting activities/ getting equipment in the right place at the right time/ filling water bottles. Thank you in advance for your help. The children have all been put into 'Houses' for Sports Day, all the children will take part in lots of activities and points will be gained for each event, the House with the most points gained from each class EYFS to Year 6 will be the overall winner.

Each house has a specific colour **Finsbury - RED, Priory - BLUE, Alexandra - GREEN, Elthorne - YELLOW.**, we have asked that children wear their PE kits but if you want to add house colour socks, hats, hairbands and even t-shirts -if you have them (please do not go out and buy anything new!) that would be great.

Have a lovely weekend - see you at the summer fair
Miss Robertson

This week's highlights

In Chestnut Class we have been learning about different types of vehicles and have discussed the journeys we have made and the transport we have used.

With Sports Day fast approaching on Tuesday, Ash Class have been practising their hula hooping.

In Beech Class we enjoyed designing our moving teddy bears.

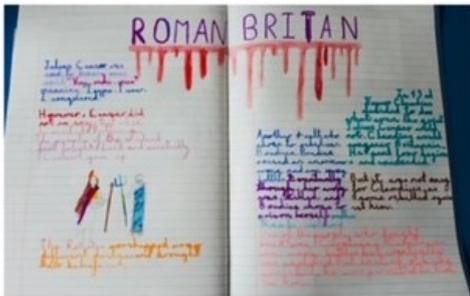

4C have been learning all about how sound travels through the ear. During our lesson this week we got the chance to make our own megaphones!

24th June 2022

This week's highlights

5A have been working super hard to measure angles and identify the properties of 2D and 3D shapes this week.

This week in 4P we have been showcasing all our learning from our History topics: Roman Britain. We've learnt so much!

This week 5S led an amazing act of worship about standing up for what is right and commemorating Windrush Day.

This week, in year 6, we have explored the Islands of the Caribbean as part of our Windrush Day celebrations. We mark this day to celebrate British Caribbean communities and acknowledge the sacrifices and contributions the Windrush generation and their descendants have made to British society.
