Message from Headteacher

Dear Parents & Carers,

We have had a lovely week with all the children settling into new year group routines. I have to say it is always amazing how children seem to mature over the summer break and come back ready for the challenge of new work and increased responsibility.

Although the first weeks of this Autumn term have offered exciting new work, the death of the Queen, all the associated history/ceremony and a nation in mourning has diverted the interest of the children. Many classes have spent valuable time exploring everything that is going on at present to celebrate the Queen's life and long reign and how we prepare for a state funeral and support our new King. As you know school is closed on Monday, please take the opportunity to mark this special day in a way that is right for your family.

Have a good weekend
Miss Robertson

Reminders

Supplies - our tissue supply is running low! With autumn sniffles on the rise, we would be grateful for donations of boxes of tissues for the classrooms. Thank you

Pick Up After School Activities: Pick up point for all clubs at St Gildas' is the black gate on Tregaron Avenue.

After School Club (ASC): Pick up at red gate on Dickenson Road. Please call the ASC mobile when you arrive and staff will bring your child out to you.

This week's highlights

Chestnut Class have really enjoyed their first full week of school. They are settling in to their new classroom and school environment brilliantly. They have been learning lots of new things and have been making new friends.

Beech Class have been learning their number bonds to ten!

Ash Class have been doing lots of writing, including letters and stories, about the book Dear Daddy.

4T used Conscious Alley to explore a dilemma faced by a character in their class book Varjak Paw.

This week 3P used their imagination to create beautiful art work based on our class book The Tin Forest. We also used ambitious vocabulary to describe the setting.

This week's highlights

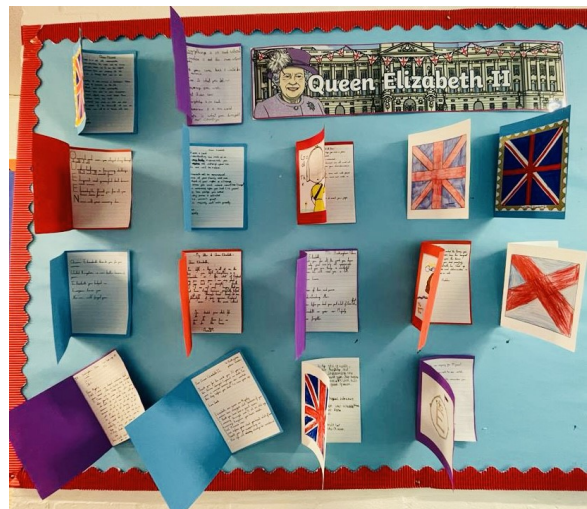

5A have enjoyed another great week! Here are our beautiful stamp designs to commemorate Her Majesty. The children worked very hard designing their stamps and finding out more about The Queen's life and some of the charities she supported. In maths, we also got equipment out to help our understanding of numbers to 1 million!

6M - how rude! Not really! For our Science lesson we have been learning about Evolution & Inheritance. Did you know that rolling your tongue is an inherited characteristic? What have you inherited?

Another fantastic week in **6N**. We have worked as a team, improved our communication skills/work ethos and had lots of fun along the way. It was also a treat to hear about our classmate's hobbies/interests. In Maths we are focussing on strategy with Arithmetic and Reasoning. At the end of the week we enjoyed a lovely stroll to the pool and a swim; the adults that teach us at the pool remarked on how amazing we are!!

In **5M** we wrote letters and acrostic poems to commemorate Queen Elizabeth II

16th September 2022

Mon 19th Sept: Bank Holiday for The Queen's Funeral. School closed.
