# 18th November 2022

## Message from Headteacher

Dear Parents & Carers,

We finally had to give in and turn the heating on in school this week! We have done well to make it into mid-November, we still have the problem of having to ensure good ventilation in all classes so it is a little soul destroying to see windows and doors open with all the precious heat flowing out! Children and staff have all reported it is much warmer and have stopped wearing as many layers in class!

Thank you for supporting Odd Socks day on Monday to raise awareness of Anti-Bullying week. All classes have been discussing definitions and types of bullying, who they can reach out to for help with worries at school and at home and the key message Jesus left us that... we should treat others as we would want to be treated, show love and care for all and confront injustice. Our Anti-Bullying Ambassadors had a further training session to help them with their roles with Mrs O'Brien and she led assembly for St Gildas' children on these themes.

6M & Year 1 have been busy preparing class assemblies for us this week, 6M presented their work around special saints and treated us to some fantastic singing, it was lovely to see many parents able to join us for assembly. Year 1 were very excited to prepare and share their assembly, acting out a classic story and bringing the themes from Anti-Bullying week and Children in Need day together. Year 1 parents please remember to look at Google Classroom to see photos from the assembly. Thank you for supporting Children In Need through school, we will send all donations directly to the charity. The children all looked amazing today and the Pudsey biscuits at lunchtime were delicious!

Have a lovely weekend...the end of our liturgical year!

Miss Robertson

## School Tours for Prospective Parents

Our next tour is Wednesday 23rd November at 9.30am. Please spread the word and encourage friends and family to visit our wonderful schools.

**REACH  
OUT**

#ANTIBULLYINGWEEK

This week at St Peter's and St Gildas' we have been marking Anti Bullying Week 2022. The theme of this year's campaign is Reach Out. At assembly we discussed what it means and what it looks like to reach out and who we can reach out to. The children discussed the definition of bullying and the different types.

The Anti-Bullying Ambassadors met to discuss plans for the forthcoming year and decided to start with a poster campaign to begin raising their profile around the schools.

## World Cup 2022

Many of the children are very excited about the start of the World Cup this weekend, whilst we as adults might have some concerns and reservations as to the location and the compromises that are having to be made to have a successful competition. Obviously we want to acknowledge this international event in a fun way here at school, supporting the home nations and other countries that the school community has connections with. Each class will keep a track of all the matches and as we get further into the competition each class will be allocated a team to support. We will use this time to explore cross curricular information about our 'class team's' country (e.g. history, geography, culture and foods) The LFA who facilitate our coach led PE sessions have also developed a month long set of lessons exploring key football/ball skills with an inter-class/inter-year tournament. These sessions will culminate with some medals and prizes, and certificates for all of the children who have taken part. Later on into the competition we will have year group / class sweepstake with the chance to win some lovely prizes donated by Aquinas Education so please keep an eye on Twitter for updates!

GROUP A	GROUP B	GROUP C	GROUP D

## This week's highlights

Chestnut Class had lots of fun dressing up for Children in Need and we made our very own Pudsey ears!

Ash class loved reading the book Anna Hibiscus by Atinuke and doing lots of writing about it.

Beech Class worked very hard preparing for their assembly today which was all about the importance of friendship.

In Science this week, 3P have been investigating how porous different rocks are. We counted bubbles to see how much air could pass through each rock.

At ASC this week, the children made their own LEGO version of Burj Khalifa!

**5A children started to present their Kenya projects this week inspired by the class book 'Mama Miti'. Everyone has made a brilliant effort so far!**

**This week 5M have been producing lovely artwork for their Remembrance Day assembly next week.**

**This week in 4T we have been writing and performing persuasive speeches as part of our learning of the Literacy Text: The village that vanished.**

**This week in 6N, we consolidated our Factors & Multiples knowledge by combining fun, learning and tech! Using the iPads we accessed an NRICH challenge. As you can see from the pictures, it was equal measure of fun & learning!**

**A brilliant week in 6M with an all star assembly about All Saints Day ending with Children in Need and a good swim!**
