Message from Headteacher

Dear Parents & Carers

It was lovely to have Fr David lead assemblies in both schools this week, he blessed our Advent wreaths and was very impressed by the children's knowledge and responses. All classes are working extra hard at the moment, drawing together this terms work, assessing knowledge and understanding, whilst also preparing the class for this Advent season, and learning songs, poems, dances and dialogue for our Christmas celebrations...it really is a busy time.

Thank you to those of you who have begun to send in items for our Advent Giving Calendar, we are always trying to encourage the children to think of others and how they can help them, this is a small but really practical way to help our local community. Please remember to add a few items to your weekly shop if you are able.

On Thursday we revealed the first window in the Stroud Green Living Advent Calendar, it is in an upper window of the St Peter's building but has contributions from all classes at both schools. Please see the attached flyer for all the locations if you would like to go on a trail looking at the windows throughout the next few weeks. There are a couple of dates not taken so if you are in the Stroud Green postcode why not volunteer?

As you will have seen on the date list for the last couple of weeks we have arranged some extra treats for the children next week, Years 3 - 6 are all going to see a special screening of 'The Grinch' and EYFS, Year 1 & Year 2 are having a visit from Captain Fantastic. We would like to thank The Friends' and all who supported their fund raising events as they have paid for these treats. Please remember to support the next event, Christmas Carols in the church this Saturday.

Have a lovely weekend
Miss Robertson

200 Club November Winners

- 1st - Debi Mulroy £300
- 2nd - Patricia O'Donnell £50
- 3rd - Claire Carson £50
- 4th - Paddy & Aoife Lawless £50

2nd December 2022

This week's highlights

Reception enjoyed decorating a star for our class Advent calendar. We also made our Advent wreath.

Ash Class really enjoyed making decorations for the Advent window.

Beech Class had a busy week preparing for the start of Advent. They made beautiful window displays for the Living Advent Calendar and also made their class Advent wreath.

3P enjoyed creating art work for an Advent display.

2nd December 2022

This week's highlights

In Science this week 4T conducted experiments using eggs to investigate how different liquids affect teeth. We also led whole school collective worship at our class assembly.

In 5M we carried out a Science experiment to see what material would be suitable for insulating a lunchbox. We tested 3 different materials covering icy water and tested their temperature every 5 minutes in a 20 minute window using a thermometer and stop watch.

This week's highlights in 5A include investigating thermal conductors for science and completing our beautiful Advent wreaths for the Stroud Green Advent window event.

As well as completing a week of assessments, the talented artists of 6M have created these nativity scenes for our Advent windows as part of the Stroud Green Window event. We studied the work of Picasso & Braque as part of the Cubist movement in Art.

6N have started their coding project that will see them evaluating games that they already play, designing characters and creating backstories. Watch out Nintendo! ...We begin coding our games next term!

2nd December 2022
