## Message from Ms. Pantelli

Here we are at the end of another busy week.

I was delighted to see so many of you at our curriculum evenings this week; I'm sure you'll agree that there's some absolutely fantastic work going on across the school. I'm extremely proud of the children in our school community and I have no doubt that you'll join me in that sentiment.

This week's Wednesday word is Wisdom. Perhaps take some time together to reflect on what wisdom means to your child - what does it mean to be wise? Who do they know who is wise? Talk to your child about a time when they made a wise choice. What helped them to make that choice? Wisdom is a real treasure, a virtue for us to nurture.

Wishing you all a lovely weekend.

Ms Pantelli

## Message from the Chair of Governors

Dear Parents/ Carers,

It was wonderful to see so many of you at our Curriculum Evenings this week.

We all missed Mr. O'Shannessy being there with us.

As many of you know, Mr. O, as the children know him, is not currently in school; he is working from home for personal reasons.

Many of you expressed that you and your children miss his enthusiastic leadership and vision for the school. We hope that we will be welcoming him back soon.

Meanwhile, as Governors, we express our thanks to Ms. Pantelli and all the staff for continuing to lead our school and journey 'Onwards and Upwards' in these difficult circumstances.

May we walk this road together and reach our destination with joy and peace.

Frances Booker
