

St Peter's & St Gildas' Weekly Newsletter

12th July 2024

Message from Ms Pantelli

Dear St. Peter's and St. Gildas' Community,

As we approach the end of the academic year, we have had another busy and fun-filled week.

Our students have been immersed in a variety of enriching experiences that have broadened their horizons and enhanced their learning. We were thrilled to welcome Phil and his Circus Workshops to our school, providing our pupils with a unique opportunity to develop their coordination, balance and teamwork skills while having tremendous fun. These workshops not only entertained, but also instilled valuable life lessons about perseverance and the importance of practice.

Year 2 students went on an educational adventure to Railway Fields this week, where they explored the natural world and gained hands-on experience in environmental studies. This trip offered our young learners the opportunity to connect with nature and understand the importance of preserving our local ecosystems.

Our Year 6 pupils have been participating in engaging drama workshops, honing their performance skills and building confidence in readiness for our end of year production. These sessions have provided a platform for creative expression and helped develop important communication skills that will serve them well as they prepare for their transition to secondary school. We're really grateful for Karen's support and thank her for her time.

We also organised a special treat for our Year 2 and Year 4 students with a trip to the cinema. I hear they had a lovely time and really enjoyed themselves!

Our annual Sports Day took place today. This event is a wonderful celebration of physical activity, teamwork, and school spirit. We were all praying for good weather! Photos to follow...

Finally, I am immensely proud to share the news of our Key Stage 2 SATs results. Our Year 6 students have demonstrated remarkable academic prowess, achieving outstanding results that reflect their dedication, the support of their families and the tireless efforts of our teaching staff. These results are a testament to the high-quality education we strive to provide at St Peter's and St Gildas'.

Thank you for your continued support and partnership in your children's education. Together, we are creating a vibrant and inspiring learning community, that prepares our students for future success.

Marketing Working Group

Dear Parents and Carers,

This group will meet on 17th July at 6pm in St Peter's School, please join us if you have marketing skills or ideas. Our last meeting was very productive, with many very positive suggestions for the way forward. The meeting on 17th will bring all these ideas together with a clear plan for action which will be shared with you before the end of term.

Please join us if you can.

Kind regards

12th July 2024

We enjoyed a visit to our school library, where we read our favourite stories.

Year 2 had a fantastic trip to Railway Fields this week. We learned all about mini beasts and their habitats.

This week Year 3 took part in a circus skills workshop. They were amazing and had a fantastic time.

For all their hard work this year, Year 4 were given a fantastic treat! They went to the Crouch End Picturehouse to watch Migration and it was so much fun.

Thank you to Karen from Achieve Arts (from our after school drama club) for working with us on the end of year 6 production. We really appreciate all of your help!
